- **ALL STUDENTS MUST HAVE A SCHOOL ID**

Participating in the graduation ceremony is a privilege bestowed by the administration of Daniel Webster High School. It is not a right. As such, the integrity of the ceremony will be maintained through strict adherence to the district's behavior plan and the school's graduation dress code as cited above. Students who do not meet the state requirements and credits to graduate and participate in the ceremonies (Senior awards assembly, graduation, etc.), may pick up their cap and gown the *next school day after the graduation ceremony*. (Caps and gowns for those not graduating will NOT be distributed before the ceremonies.) In addition, the cap and gown must be paid in full in order for the school to distribute the cap and gown to graduates as well as those who ordered a cap and gown but could not participate in the ceremonies. *Students will NOT toss the cap at any time during or after the ceremony!*

If you foresee a difficulty in meeting the dress code requirements listed above, it is your responsibility to meet with a school administrator prior to the event. Do not wait until the night of the ceremony and expect to be excused from the dress code requirements. By signing below, you agree to the dress code requirements for participating in the graduation ceremony, and if you fail to meet the requirements, you will not be allowed to participate.
